RE: Minnesota Department of Transportation Funding Commitment to Minnesota Trunk Highway 200 Project –  
White Earth Nation

Dear Secretary Chao,

The Minnesota Department of Transportation has committed \$8,250,000 of state funding for this project. The commitment was made at the March 29, 2018 Operations Meeting at the direction of MnDOT's Transportation Program Investment Committee (TPIC) in March 2018.

The commitment of \$8,250,000 was approved as a pilot equity project highlighting the partnership between MnDOT and the White Earth Nation.

Sincerely,

Brian Gage  
Director of Capital Programs and Performance Measurement  
Office of Transportation System Management

CC: Shiloh Wahl, District Engineer, District 4
