Following the December 2004 public information meeting, Anoka County Highway Department proceeded into the environmental analysis and right of way acquisition process for the preliminary design of County Road 14. We are inviting you to attend an informal public meeting to review the environmental and right of way acquisition information as well as the latest roadway design. Representatives from the Anoka County Highway Department and their engineering, environmental and cultural resources consultants will be available to answer questions and receive input.

For more project information please go to our web site at: www.co.anoka.mn.us, click on “Transportation”, “Highway Department home page” and “County Road 14, I35W to I35E Study”.
