RE: Letter of Support for the 2021 RAISE Discretionary Grant: US Highway 169/County Road (CR 4) Rural Safety and Mobility Interchange Project

Dear Secretary Buttigieg,

I am writing this letter to express our support for the Sherburne County request for a 2021 DOT RAISE Discretionary grant to improve the safe and efficient operations of the US Highway 169/County Road (CR 4) Interchange in Zimmerman, Minnesota.

The Project will replace the last remaining at-grade signalized intersection for a 75-mile section of US 169. The interchange includes a tight ramp configuration west of US 169 and a loop in the southeast quadrant of the interchange. The proposed design minimizes wetland resources and right-of-way impacts to lands adjacent to US 169 and constructs a safe multimodal pedestrian and bicycle trail facility connection on the proposed CR 4 bridge crossing over US 169. The Project will consolidate and improve 18 local roadway access and 26 private access points on US 169 with a hybrid diamond interchange at CR 4.

Construction of the US Highway 169/County Road (CR 4) Interchange Project will greatly increase traffic safety and highway access for residents and businesses in the greater Zimmerman community, as well as the general public travelling this regional corridor.

Please give this 2021 RAISE Discretionary Grant proposal your full consideration .

Sincerely,

Richard C. Foster  
President
