

# PROJECT AREA CENSUS PROFILE

The 2015-2019 American Community Survey was used to compile a demographic profile of the Project area. Table 1 shows key demographic and quality of life indicators for the census tracts and counties included in the Project area, as well as the state of South Dakota.

Table 1. Key Indicators

Measure	South Dakota	McCook County	Minnehaha County	Census Tract 9647	Census Tract 9646	Census Tract 103	Census Tract 104.06	Census Tract 104.04
Population	870,638	5,548	188,674	2,305	3,243	6,575	3,912	4,626
Zero-Vehicle Households	5.2%	2.6%	5.5%	4.0%	1.4%	0.7%	1.7%	2.3%
Individuals Below Poverty Status	13.1%	9.7%	10.0%	4.9%	13.0%	2.1%	1.9%	6.7%
Senior Population (65+)	141,534	1,040	24,024	442	598	711	335	652
Senior Population as Percentage	16%	19%	13%	19%	18%	11%	9%	14%
Individuals with a Disability	12.0%	10.7%	10.3%	7.5%	12.9%	9.0%	6.1%	1.2%
Households	344,397	2,228	76,819	967	1,261	2,289	1,691	1,706
Mean travel time to work	17.2	26.2	17.9	27.0	25.6	21.9	19.2	18.3

Figure 1 shows the percentage of households in each Project area block group whose income was under the Federal Poverty Level. Figure 2 shows the percentage of households whose income was under 200 percent of the Federal Poverty Level, a commonly used threshold identifying low-income populations.

Figure 1. Percentage of Households under Federal Poverty Level, by Block Group

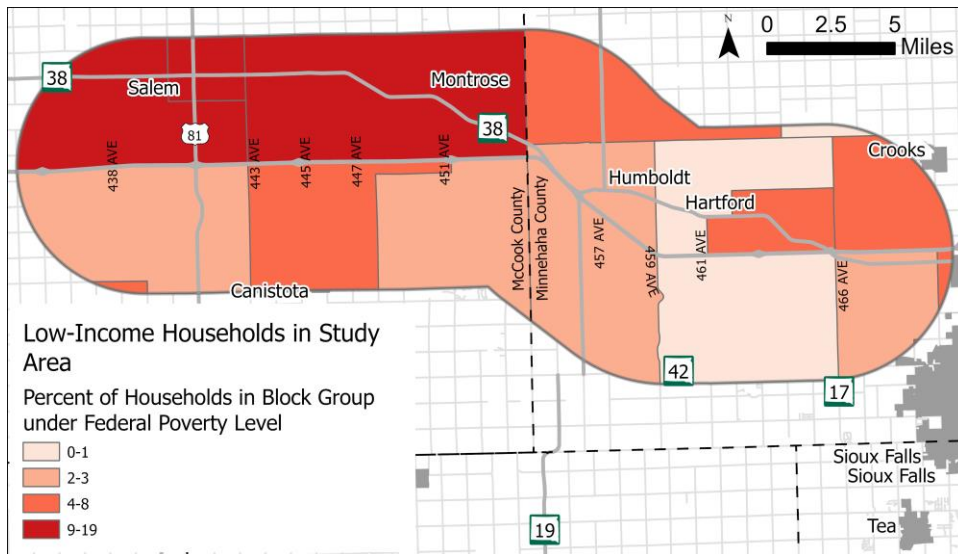

Figure 2. Percentage of Households under 200% Federal Poverty Level, by Block Group
